ORDER:

In the letter read above the Chief Engineer, Minor Irrigation, Hyderabad submitted an estimate for Rs.48.00 lakhs for the work “Rehabilitation of Venkat Rangaiah Bandam, Chennaipalem (V), Mattampally (M), Nalgonda District” stating that the Venkata Rangaiah Bandam is situated in the village limits of Chennaipalem Village, Mattampally Mandal, Nalgonda. It has been constructed across the Vemuleru River. The Bandham has been constructed by late Sri Venkata Rangaiah Garu long back in the year 1955, with his own effort and expenditure to divert the water through irrigation channel to his lands at the Right side of Bandham, instead of water going waste into Krishna River and Intercalate near Gundeboinagudem village. The ayacut irrigating is not only Venkata Rangaiah’s land other ryots lands are also coming under irrigation to an extent of 200 acres. Further ayacut to an extent of 100.00 acres also can be brought into irrigation by extending and improving the canal. The Scheme is proposed under TSP, as majority of ayacutdars belong to Scheduled Tribes and hence the Chief Engineer, Minor Irrigation has requested to accord administrative approval for Rs.48.00 lakhs under Tribal Sub Plan for the above work.
